METHODIST REPORTS MOST ENCOURAGING

Business and Social Meeting
of the Sunday School
Held Last Night.

About 30 officials of the Methodist Memorial church, including those of the board and Sunday school, enjoyed a most interesting program in the church parlors last night. Mrs. Castle's class purveyed an excellent menu. Dr. R. J. Wade, district superintendent, gave an address entitled "The Buttoned-up Sunday School." This was followed by reports from the Sunday school, while those of a business nature were presented by the officials of the church, including the pastor, Dr. Edwards. One rather interesting matter was brought out in connection with Sunday school work, namely, that the intermediate Sunday school is now in advance of the Junior. This is said to be somewhat unusual in church activities. Another feature, which speaks well for the Methodist body in the city, is that there is actually a waiting list in the matter of teachers for the boys' class. A young man applied for a class, but will have to wait until a vacancy occurs. The various reports submitted were most encouraging, and evidenced deep interest in the work of the Memorial Methodist body.

GIVE CONVENTION REPORTS AT MEET

Reports from the convention at Nappanee were given by Mrs. Frank Breckon and Mrs. Bates at the meeting of the Woman's Foreign Missionary society held in the Methodist Memorial church parlors Tuesday afternoon. Mrs. W. A. Whitmer also gave a very interesting report of the branch meeting held in Kalamazoo, Mich. Mrs. Willis Kizer was in charge of the devotional exercises. Mrs. J. C. Bostwick read the first chapter of the study book "War and the Kingdom." The committee on sending gifts to Miss Pauline Westcott, a missionary in Hung-hi, China, reported that she will receive it by Christmas. Miss Lois Newman contributed piano selections.

The King Herald, a division of the society, will entertain at a Halloween party Monday evening from 4 to 6 o'clock. The quarterly tea will be held Nov. 28, north division.

HALLOWEEN PLANS ALMOST COMPLETED

Citizens' Treat to Young Folks
Will be Unique and of
Much Interest.

Plans for the celebration of Halloween next Tuesday night are being forwarded, and from present indications the affair is going to be one of the biggest of its kind ever held in the northern part of the state. The finance committee commenced a canvass of the merchants Wednesday morning and the response was most generous and beyond all expectations.

The line of march of the parade, in which the city's two splendid bands will participate is now being arranged, but most of the other features have been decided upon.

The school children, under the direction of Miss Jeanie Terry, will render a program of old fashioned songs, while the bands will add to the interest of the occasion by a rendition of popular airs.

A committee comprised of E. H. Longstreet, F. A. Vogt, Wm. Bradford, A. A. Van Rie, E. T. Deyo, Charles Roy, John Barnard and Charles Thomas, is studying the matter of the free distribution of apples and confetti. Fantastic costumes will be worn by the young folks and the dance program being arranged will include the Virginia reel and many other old fashioned dances, in which everyone is expected to participate.

All the young men and women from the factories are expected to attend without waiting for any formal invitation, as are all the children and grown-ups from the city and country. Fiddlers will supply the music for the tripping of the light fantastic.

The affair will take place on Third st., opposite the Hotel Mishawaka, and sufficient of the roadway will be roped off to permit of the dancing and musical program being carried out without interruption.

CLUB ENTERTAINED IN HONOR OF BRIDE

Miss Rosalie Klier, 602 Lincoln way, W., pleasantly entertained the members of the "M. U. M." club at the home of her aunt Miss Rose Klier, 702 W. Fourth st., Tuesday evening. The affair was complimentary to Miss Lillian Barrett, who will be married to William Stark, Thursday morning. The home was prettily decorated, the color scheme being pink and white.

The evening was spent in knotting a comforter, which the guests presented to the bride.

A three course dinner was served. Miniature wedding rings were attached to the place cards. Covers were laid for 16.

BIBLE CLASS ENJOYS MASQUERADE PARTY

Members of the 161 Bible class of the Methodist Memorial church and their friends enjoyed a hayrack ride to the rural home of Lee Palmer, six miles south of the city, Tuesday evening. The members of the class were attired in costumes as the affair at the Palmer home was in nature of a Halloween.

Music was contributed by Miss Ethel Albert. Games were enjoyed. Luncheon was served.

The committee in charge consisted of Lawrence Kronewitter and Harold Rogers.

DEMOCRATIC RALLY AT BOURBON TUESDAY

The democratic drum and bugle corps went to Bourbon Tuesday night to attend a rally which was one of the largest and most enthusiastic ever held in the farming town. Hon. Curt Heintzfeld of Chicago, spoke in English and German, and most intelligently discussed the president's international policies. The speaker's father was awarded the iron cross in the battle of Sedan. The drum corps under the direction of Frank Yenn made a decided hit. They made the trip in automobiles although the roads were in a frightful condition.

MARRIED SATURDAY.

Miss Ellen W. Steine and Robert Young, clasped to St. Joseph, Mich., Saturday and were married by a Justice of the Peace. Sunday the young people returned to this city but succeeded in keeping their wedding a secret until Wednesday noon.

CONG. H. A. BARNHART WILL SPEAK TONIGHT

Congressman H. A. Barnhart will be in Mishawaka tonight and will speak before a meeting to be held under the auspices of the local democratic club, in the old Methodist church, at 8 o'clock. The meeting will undoubtedly be largely attended, and an enthusiastic reception will be tendered the congressman by his many friends in the city. He will be at the Hotel Mishawaka from 5:30 until 7:30, and will be glad to meet with many of his friends as can conveniently call. There will be a parade, headed by the drum and bugle band, previous to the meeting.

NEGOTIATIONS NEARLY COMPLETED FOR MATCH

Negotiations are nearly completed for the Ross-Tonnemann wrestling match, probably held in the Century theater within the next two weeks. Adron "Kid" Ross, city champion, and claimant of the Indiana honors in the middleweight division, will take on the Illinois "champion," Ted Tonnemann, who is touted with being the best grappler around Chicago. Ross has been working out daily for the match and will be in fit condition to work with the Illinois mar artist. Many of his backers are anxiously awaiting full details and a record crowd is expected to attend the bout.

RESULTS IN BREAD BAKING CONTEST

The results in the bread baking contest held in connection with the eighth grade B. girls in the Main school were made known Tuesday night. There were 39 entries, and the prizes were awarded as follows: First, Dorothy Johnson, who received a Pyrex casserole; honorable mention, Lola Fickling and Ruth Weis. The judges were Mrs. J. S. Immel and Mrs. L. M. Walton.

AT THE TEMPLE.

The Temple theater starts "The Scarlet Runner" tomorrow. This is said to be an extraordinary series of motor stories, each a complete. They were written by C. N. and A. M. Williamson, the well-known authors. Earl Williams is the star. An unusual feature of the series is that a separate company of Vitagraph stars appears in each picture, with Eddie Williams in the lead. Today another chapter of "The Iron Claw," featuring Pearl White, and "Hypocrites," one of the "Grip of Evil" series, with Jackie Saunders, is on the bill along an exciting Helen Gibson railway story, "A Blaze on the Rails."

AT THE LINCOLN.

D. W. Griffith's all-star feature film, "The Escape," founded on Paul Armstrong's play of that name, will be shown at the Lincoln today. The picture is in seven reels showing the escape of a woman from poverty and degradation, through sin, suffering and sorrow to a better life. This photo-drama was written in the belief that all men are brothers and that human beings, collectively, are responsible for human beings. Individually. It is a drama of the eugenic science, showing many phases of life, ranging from the realistic to the visionary, from poverty to affluence, from poverty to supreme happiness. A splendid cast presents the play.

HOOSIER GIRLS MEET.

Miss Lucille Burkhardt, 619 E. Third st., entertained the Mishawaka Hoosier girls Tuesday evening. The first meeting of the club this year was held one week ago at the home of Miss Creighton. Miss Creighton was elected president and Mrs. Goldie Cook, secretary, at Tuesday evening's meeting.

RAIL EMPLOYE IS CONVINCED

"Tanlac Proved Itself Best in
My Case," W. A. Lee
Declares.

Among the hundreds of state-ment now being made daily in connection with Tanlac, the combined new medicine that has accomplished such astonishing results in thousands of cases, none is more interesting than the one made on October 18 by W. A. Lee, 1009 Quimby street, South Bend, for fifteen years an employee of the Chicago, South Bend and Northern Indiana Railway Company and at present mailman on the run between South Bend and Michigan City.

Mr. Lee has hundreds of friends in South Bend and Mishawaka who know him as a man of unquestioned honesty and integrity. By his fellow employees he is known as "Bill" Lee.

"The results I have gained from Tanlac have agreeably surprised me," Mr. Lee said. "For several months I have suffered from stomach trouble and indigestion. I had no desire for food and when I did force myself to eat, gas would form in my stomach and bloating would result. The bloating would cause severe pains in my chest. After eating I usually would feel sick and distressed for some time. My bowels were irregular.

"When a friend of mine recommended Tanlac to me he certainly did me a great favor for I've tried this medicine now and I'm much improved. My appetite has improved and I fully enjoy my meals now. I'm not bothered with bad effects after eating such as gas in the stomach and bloating. The pains in my chest also have disappeared. My bowels are regular now.

"I'm convinced that Tanlac is the best medicine for stomach trouble on the market and I highly recommend it."

"Hundreds of people in Mishawaka are now taking Tanlac and in nearly every case are deriving benefits," the Tanlac man who is meeting the public at the Red Cross Pharmacy said. "For stomach, liver or kidney trouble, catarrhal complaints, rheumatism, nervousness, sleeplessness and the like, Tanlac has no superior."

Tanlac is now being introduced in Mishawaka at the Red Cross Pharmacy where a special Tanlac representative is explaining the new medicine to the public daily.—Advt.
